This is a great multiplication game that can be used to practice multiplication problems with digits as high as 6. Just have students work with partners rolling dice. Multiply the two numbers you roll and color in that number. First one to the top wins!

Race to the top!!

1	2	3	4	5	6	8	9	10	12	15	16	18	20	24	25	30	36
1	2	3	4	5	6	8	9	10	12	15	16	18	20	24	25	30	36
1	2	3	4	5	6	8	9	10	12	15	16	18	20	24	25	30	36
