

Batting Rotation- Baseball

Level: Grade 3 and up

Objective: Practice skills including batting, pitching, throwing, and catching.

Equipment: four bases, one softball per four players, one bat per four players

Procedures:

- 1) Divide class into groups of four players
- 2) The four positions are catcher, batter, pitcher, and outfielder.
- 3) The pitcher throws five good pitches to the batter.
- 4) The batter gets five chances to hit the ball.
- 5) After five balls, positions rotate.
- 6) Batter becomes the catcher. Catcher becomes the outfielder. Outfielder becomes the pitcher. Pitcher becomes the batter.
- 7) Repeat rotation until all players have had at least one turn.

Assessment: Observation- Students need to participate in each position and put forth good effort at practicing these skills.
