

## Boundary Ball-Basketball

Level: Grade 3 and up

Objective: Students will participate in practicing dribbling, passing, and shooting skills.

Equipment: One basketball, one court

Procedures:

- 1) Divide class into two teams.
- 2) Have each team line up along the sidelines. (opposite sides of the court)
- 3) Three players from each team will be on the court.
- 4) The players on the court try to score.
- 5) The players on the sidelines can help by catching and passing the ball down the line, then back out to the court players.
- 6) Once a basket is scored the next three in line come out to play and on the court.

Assessment: Observation-team points.

Modifications: Rotate every three minutes.

Allow more than three players to be on the court for each team.
