

LISTENING

What's the Sound?

Grade Level: K-3

Objectives:

Help reinforce students listening skills and help them to recognize sounds of instruments.

Materials: Several Instruments, A large sheet

Procedures:

- 1) Play each of the instruments you have chosen for students telling the students which instruments you are playing.**
 - 2) Now move behind the sheet and play the instrument having each student raise their hand as they recognize what the instrument is.**
 - 3) Repeat with new instrument.**
-
